Trust Policy Statement

Bradford Diocesan Academies Trust (BDAT) regards the excellent attendance of children as integral to the success of the pupils and thus the success of their academies. For the purpose of this policy, the term Trust refers to BDAT. The Trust is committed to ensuring that pupils and parents/carers understand the absolute importance of full attendance at our schools.

As part of our focus on diversity and inclusion, BDAT pledges that our policies will seek to promote equality, fairness, and respect for all staff and pupils. Our policies reflect the BDAT values of inclusion, compassion, aspiration, resilience, and excellence. By working closely with a range of stakeholders, such as our school, union, and HR colleagues, we have ensured that BDAT's policies do not unlawfully discriminate against anybody.

Aims of the Policy

This policy is intended to outline the expectations, procedures and key staff in relation to attendance as well as the strategy and support in place to ensure pupils maximise their attendance at school.

We envisage that this policy will act as a 'user manual' for pupils, families and staff when it comes to attendance at school and will keep it under annual review. We will use our stakeholder voice mechanisms (e.g. pupil surveys, parent forum etc.) in order to ensure that feedback around this policy is taken on board when the policy is reviewed.

This policy will be published on the Lady Royd Primary School website and will be recirculated to parents at the start of each academic year, as well as when it is updated at any other point.

Introduction

At Lady Royd Primary School, our priorities are that our pupils are safe, healthy and successful, all of which are helped by attending school regularly. We believe that working in partnership with families is the best way to maximise attendance at school in order to achieve these priorities. Our aim is for Lady Royd Primary School to be a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn.

We know that regular attendance at school is vitally important in helping pupils to reach their academic potential, to help them grow socially and emotionally and to develop a range of life skills which will support them as they enter the world of work or higher education at the end of their compulsory education.

Research clearly demonstrates the link between regular school attendance and educational progress and achievement. Children who frequently miss school often fall behind and, ultimately, they are likely to have fewer qualifications at lower grades, which can impact on their ability to access further education and/or employment.

When it comes to school attendance, it is easy to think that 90% attendance is at a positive level but the reality is that this is equivalent to one day off school per fortnight or 95 hours of learning missed across a year. Children who have less than 90% attendance are regarded as ‘persistent absentees’ from school by government standards.

It is our expectation that our pupils should only miss school when it is absolutely necessary and should aim for a minimum of 97% attendance over the course of each year. We will consistently work towards a goal of 100% attendance for all children.

Strong school attendance for every child is in everyone’s best interests and it is the responsibility of us all. We are determined to work together with pupils and their families to make this happen.

Key Staff

This section of the policy details key staff and their responsibilities in relation to different aspects of the attendance policy.

Staff Member	Job Title	Role
John Watts	Attendance/Safeguarding Governor	To ensure that the governing body have an accurate view of attendance within school, support escalation procedures where needed and provide an appropriate level of challenge to school leaders to ensure that the attendance strategy is effective.
Mr Tolson	Head Teacher	To ensure that there is a strong culture of promoting excellent attendance and a strategy which is led effectively by the senior leader responsible in this area.
Mrs Leary	Assistant Headteacher	Strategic leadership of whole school attendance strategy including policy development, staff training and data analysis.
Mrs Pal	Attendance Officer	Operational leadership of attendance including direct work with families, home visits and in conjunction with AHT liaison with Education Welfare around any legal proceedings/fixed penalty notices
Ms Heathcote Mr Arnott Mrs Khan	UKS2 Lead LKS2 Lead EYFS Lead	To support the pupils in with maintaining excellent attendance by working directly with pupils and families to overcome any barriers to attendance as part of the whole school strategy

How Parents can Support their Child’s Attendance at School

This section of the policy provides advice and guidance to parents as to how they can support their children in ensuring excellent attendance at school.

Excellent attendance at school is the part of their child’s education that parents have the most impact upon. This is why [Parental Responsibility Measures](#) are clear that it is a parent’s responsibility to ensure

their child attends school regularly. Section 444 of the 1996 Education Act also states that:

"If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, their parent is guilty of an offence".

The following are some ways in which parents can support their child's attendance:

- Be aware of their legal responsibilities in ensuring their child attends school regularly
- Ensure that their child arrives to school punctually every day
- Reinforce to their children the importance of education and how attending regularly leads to higher achievement
- Contact school in a timely manner (before 8.30am) in the event that their child is going to be absent that day
- Ensure that any medical appointments are booked outside of school hours wherever possible
- Ensure that any leave of absence request is only made in the most exceptional of circumstances
- Support their child's attendance (and therefore achievement) by not taking holidays during term time
- Notify school immediately if there are any changes to details of named contacts for their child
- Work in partnership with school staff when there are concerns about their child's attendance
- Support the school with any consequences that are implemented as a result of their child truanting or being late to school or lessons

Daily Attendance Routines

This section of the policy outlines how the school day operates in practice.

The timings of the school day are outlined below:

Period	Time
Form Time	8:40 – 9:00
P1	9:00 – 10:00
P2	10:00 – 11:00
Break	11:00 – 11:20
P3	11:20 – 12:20
Lunch	12:20 – 13:20
P4	13:20 – 14:15
P5	14:15 – 15:15

Lady Royd Primary School is open to pupils from 8:30am. Until 8:30, children in the primary phase are the responsibility of their parents and should be supervised. Children will be welcomed by staff on the gate to support them in being ready for the day. Please note that due to safeguarding reasons, when pupils get dropped off and enter school grounds, they will not be permitted to leave the school site.

Before the day begins, pupils will be supervised in the school grounds by duty staff. Other areas of school will be out of bounds during this time as they are not supervised. Breakfast club is open from 7:45.

We expect all pupils to be on site for 8.30am at the latest so that they have time to organise themselves and get to their first class punctually. This will enable their school day to begin in a calm and positive manner rather than having to rush.

The school day begins with form time where the official morning register is taken at 8.40am so it is vital that all pupils are punctual.

Class teachers are a key member of staff for all pupils and parents as they see the children every day. Registration time is a key part of the day as the following occur during this time:

- Pupils are supported with addressing any uniform or equipment issues to ensure that they are prepared for the school day.
- Key information and messages are communicated to pupils.

We also conduct though of the day which links to our personal development curriculum.

Picture News

The official morning register closes at 9:10am. Pupils arriving between 8.40am and 9:10am will be given a late register code (the 'L' mark). This does count as a present mark towards their attendance as they have arrived before the official closing time of the morning register.

Where a pupil arrives after 9:10am, they will be given an unauthorised late register code (the 'U' mark). This counts as an absence mark towards their attendance as they have arrived after the official closing time of the morning register.

The official afternoon register is taken at 12:45(EYFS YR1) and 1:15 (Yr2 and KS2).

Daily Absence Procedures

This section of the policy outlines the procedures that parents should follow to report their child absent from school and the systems in place within school to follow this up.

For safeguarding reasons, it is vital that school and families work in partnership so that we know why each child is absent from school on any given occasion.

When their child is unable to attend school for whatever reason, parents should inform us at the earliest opportunity, and certainly by 8.30am, by either:

- Phone call to LR office - This is manned by Mrs Ahmed or a member of the admin team and has the facility to leave a message if the phone is busy.

- Text Message Via Edulink.

It is important that parents are specific in the reasons that their child is absent from school (e.g. 'vomiting' or 'fever' rather than 'unwell' or 'a bit under the weather') as this enables us to track patterns of absence more effectively with individuals and particular groups of pupils, therefore enabling more effective support (see section on Tracking and Monitoring of Attendance Data).

This information will be processed by the admin team so that registers are accurately recorded for the day for any child who is absent from school (see section on Attendance Register Codes for more details).

After the official morning registers have been taken, we will add any late arrivals to these so we have an accurate picture of which pupils are present in school.

This will enable us to quickly identify any pupils who are not in school and whose parents have not informed us of the reason why. From here, the following actions will be taken in order to find out the reason why and ensure the safety of the child:

- Text message sent to priority parent/carer contacts on school system requesting a response. We endeavour to send this within an hour of the school day starting aside from in exceptional circumstances which may impact this (e.g. significant travel disruption).
- If no response is received, we will make phone calls to priority contacts on the school system throughout the morning.
- If still no response is received, we will send a further text message and/or email to all contacts on the school system at lunchtime and will make further phone calls in the afternoon.
- Where necessary, we may also conduct home visits and engage with external agencies such as the Police and Children's Social Care if we are concerned that a child is at risk.
- Where a pupil is absent from school for ten consecutive days and no reason has been provided, this will result in a referral to Bradford Education Welfare for further support as they could be deemed as a Child Missing in Education according to local authority procedures.

Pupils are not allowed to leave the school site during the day. On the rare occasions when this may be necessary (e.g. they have become severely unwell at school or have an emergency appointment), the following will apply:

- Where a pupil is unwell or there are potential safeguarding concerns, pupils will not be allowed to leave unless accompanied by an adult.
- Pupils are not allowed to leave the premises without prior permission from school. If a pupil does this, they will be regarded as truanting from school.
- Whenever possible, parents should try to arrange medical and other appointments outside of school time. Only urgent appointments should be attended during the school day and pupils should return to school after them.
- Pupils must be signed out at reception on leaving school and signed back in on their return.
- Where a pupil is being collected from school, parents should report to reception before the pupil is permitted to leave the site.

These measures are taken in order to promote the safety and welfare of our pupils. It is vital that we have at least two contacts on the school system for every pupil so that we are able to do this effectively. Please email headsec if you would like to add any additional contacts for your child.

We appreciate the support of parents in informing us in a timely manner of any absences of their children so that we can ensure that all of our pupils are safe.

Leave of Absence Requests

This section of the policy details the procedure in relation to leave of absence requests which will only be authorised in the most exceptional of circumstances.

The Lady Royd Primary School term times and school holiday dates are published a year in advance and are published on the academy website under 'Term Dates'.

Training days are published as soon as we have agreed them but may be subject to change. Any changes will be communicated to parents at the earliest opportunity.

From 1 September 2013, a change to government laws means that schools are no longer allowed to authorise requests for pupils to be taken out of school for a holiday during term time. In line with the government's amendments to the 2006 regulations, holidays during term time will NOT be authorised.

Only exceptional circumstances warrant an authorised leave of absence from school. Some examples may include compassionate leave, a religious observance or sporting/musical competitions.

Parents/carers should make any such request at least three weeks in advance and in writing by completing the form in Appendix One and returning to the main school office.

All requests are considered individually, taking into account the circumstances of the request. Other factors will be taken into account including:

- The time of year the pupil will be absent (e.g. a Year 11 pupil missing a GCSE examination would be extremely detrimental to them/a Year 6 pupil missing SATs would be extremely detrimental to them)
- The previous attendance record of the pupil
- The number of previous requests for leave of absence

Parents will be notified of a decision by email or telephone. Where a parental request has been refused, and parents continue to take their child out of school, this absence will be recorded as unauthorised.

We reserve the right to apply to the Local Authority to issue a Penalty Notice Fine under Section 444 of the Education Act 1996 where a child has ten or more sessions of unauthorised absence during a term.

Please note that from April 2023, in order to tackle unauthorised leave, Bradford Local Authority may consider legal action through the magistrates court rather than issuing a penalty notice. This is because Bradford has double the rate of absences due to unauthorised leave when compared to the national average. Further information can be found here:

Attendance Register Codes

This section of the policy outlines the attendance codes that are used on the register. This is not a complete list and further information can be found in the 'DFE School Attendance Guidance' which is linked in the 'Links with Guidance and Other Policies' section.

The attendance register is a compulsory legal document which must be accurately recorded by schools using these attendance codes.

Present Codes

These are used when a pupil is present in school or is at an approved off-site educational activity. They include:

- / = Morning present mark
- \ = Afternoon present mark
- L = Arrived late but before register closed
- B = Present at an approved off-site educational activity (e.g. at alternative provision)
- D = Dual-registered and expected to attend their other provision
- J = Attending an interview (e.g. a Y11 student at a Post-16 college)
- P = Approved sporting activity (e.g. a pupil who plays for the academy of a professional football club)
- V = Educational visit (e.g. where pupils are out on a school trip)
- W = Work experience (e.g. where a Y10/11 student is accessing an approved work experience placement)

Authorised Absence Codes

These are used when a pupil is absent from school but we have authorised the absence. These marks count negatively against a pupil's attendance but do not count against parents when considerations are made around any legal proceedings. They include:

- I = Absent due to illness (please note that in line with Bradford Local Authority guidance, medical evidence may be required to authorise this type of absence if a pupil's attendance is less than 90%)
- M = Absent due to medical appointment (please try to make these outside of school hours wherever possible)
- C = Other authorised absence (e.g. to attend a funeral)
- E = Absent due to being issued with a suspension from school
- R = Absent due to religious observance

Unauthorised Absence Codes

These are used when a pupil is absent from school but we have not authorised the absence. These marks count negatively against a pupil's attendance and may inform any legal proceedings against parents (see section on Legal Proceedings for more details). They include:

- N = Absent without a reason being provided. As detailed above, we will make all efforts to contact parents to find out why their child is absent. If we are unable to do so, 'N' marks will be changed to 'O' marks (see below) after five working days.
- O = Absent from school without authorisation. Some examples that would fall into this category include:
 - No reason being provided for an absence
 - The child is refusing to come to school
 - Truancy
 - Oversleeping/missing the bus
 - School uniform not clean
 - Birthday treats
 - Looking after younger siblings
- G = Absent due to holiday in term time
- U = Arrival after the closing time of the official morning register.

Monitoring and Tracking of Attendance Data

This section of the policy details how we track, monitor, share and analyse attendance data for individual pupils and cohorts of pupils.

In order for all stakeholders (pupils, parents, staff, governors and external agencies) to work in partnership to ensure excellent attendance for pupils at Lady Royd Primary School, it is important that we track the attendance of pupils and share this information.

This will be done by the following means:

- Individual pupil attendance data will be shared on a weekly basis with Form Tutors/class teachers who will then share it with their class.
- In the senior phase, pupils will record their attendance on a weekly basis in their student planners so parents can monitor this at home.
- Parents will also be informed about attendance in relation to their child individually and the school more widely through newsletters, social media, academic progress reports, text message, email and letter.
- Attendance data by Form Group/Class will be shared with pupils in assembly on a weekly basis. This will feed into competitions (see Rewards and Incentives section).
- Attendance data of different cohorts will be shared with the Senior Leadership Team on a weekly basis. Examples of cohorts include year groups, pupils with Special Educational Needs or

Disabilities and pupils eligible for free school meals. This will then enable leaders to plan specific intervention to support any cohorts whose attendance is below expected.

- Attendance data of different cohorts will also be shared with the whole staff on a weekly basis in briefings so that teachers are aware of which pupils may need extra support.
- Attendance data will be shared with Governors on a half-termly basis so they can fulfil their responsibilities in supporting and challenging senior leaders in relation to the attendance strategy and the impact it is having.
- Attendance data will be shared with the Local Authority School Attendance Support Team on a termly basis. They will then provide support, advice, and guidance to school on how to make further improvements.
- We will consider local, regional, and national data to help give us context as to the attendance of students at Lady Royd Primary School
- Where attendance interventions are implemented with pupils to help them improve their school attendance, we will use data to monitor the impact and assess the efficacy of the intervention.

This list may not include everything, but it is intended to ensure that attendance remains at the front of everyone's minds so that we can work together in partnership to secure excellent attendance for all pupils.

Whole School Attendance Strategy

Primary Phase procedures

Where there are concerns

If a pupil's absence falls below 96% the school will be seeking ways to support an improvement.

Stage 1 Informal discussion

The teacher discusses reasons for absence with the parent and suggests strategies for improvement.

Stage 2 – Letter

Parents will be informed by letter. A response is requested from home. If no response and/or attendance drops below 93% a second letter will be sent.

Stage 3 Assistant Head teacher invite for Parental interview

Parents will be informed by letter. A response is requested from home. Parents are invited to meet the Assistant Head to discuss the problem and see if the school can support an improvement in attendance. Meeting recorded on pupil's file.

Stage 4 Bradford Attendance Team

The LA makes contact by official letter or telephone and an appointment is made to meet the pupil with the parent and Assistant Head teacher, within the school setting. The LA may also visit the pupil at home if no response is received from home.

Stage 5 Legal Sanctions

The LA exercises their obligation to enforce legal sanctions.

Lady Royd Primary recognises that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required. The school will make the decision of whether or not to follow the attendance procedure on a case by case basis.

This section of the policy outlines the overall strategy in relation to supporting pupils to maintain excellent school attendance.

Our strategy is based on a tier model in line with best practice as recommended by the Department for Education, with the level of support dependent upon the level of attendance of the pupil.

Pupils whose attendance is below 90% are regarded as 'Persistently Absent Pupils' by the government and pupils whose attendance is below 50% are regarded as 'Severely Absent Pupils'.

The framework below shows the different tiers of the attendance model and the impact this has on their overall attendance.

Tier 1 100%	Pupils in Tier 1 do not miss any days of school per year, and they access all learning opportunities available to them. They have the strongest chance of fulfilling their potential. At our school, students in this attendance tier typically achieve an average grade of 7.11, with an average progress score of 2.26.
Tier 2 97-99%	Pupils in Tier 2 miss up to 7 days of school per year which is up to 35 hours of learning. They access the majority of learning opportunities available to them and have a strong chance of fulfilling their potential. At our school, students in this attendance tier typically achieve an average grade of 5.24, with an average progress score of 0.62.
Tier 3 95%-97%	Pupils in Tier 3 miss up to 10 days of school per year which is around 50 hours of learning. They are at risk of underachievement as a result. At our school, students in this attendance tier typically achieve an average grade of 5.09, with an average progress score of 0.17.
Tier 4 90%-95%	Pupils in Tier 4 miss up to 19 days of school per year. This is approximately 95 hours of learning. They are deemed to be pupils who are at risk of persistent absenteeism and are at high risk of underachievement. At our school, students in this attendance tier typically achieve an average grade of 5.18, with an average progress score of 0.47.
Tier 5 88%-90%	Pupils in Tier 5 miss up to 23 days of school per year. This is approximately 110 hours of learning. They are classed as Persistently Absent pupils by the government and are at severe risk of underachievement. At our school, students in this attendance tier typically achieve an average grade of 6.30, with an average progress score of 0.13.
Tier 6 50%-88%	Pupils in Tier 6 miss between 23 and 95 days of school per year. This is between one and three entire half-terms or 115-475 hours of learning. They are classed as Persistently Absent pupils by the government and are at extreme risk of underachievement. At our school, students in this attendance tier typically achieve an average grade of 4.63, with an average progress score of -0.06.
Tier 7 Below 50%	Pupils in Tier 7 miss over 95 days of school per year. This is over 475 hours of learning. They are deemed to be Severely Absent pupils by the government and are at critical risk of underachievement. At our school, students in this attendance tier typically achieve an average grade of 2.40, with an average progress score of -1.51.

In order to motivate and support pupils to maintain excellent attendance or improve their attendance, we will utilise a range of strategies which may include, but aren't limited to:

- Access to rewards
- Positive communication home
- Mentoring
- Communication home so parents are aware of concerns and need to improve
- Student and/or parental meetings with key staff
- Attendance panel meeting
- Referrals to external agencies (e.g. CAMHS, Education Welfare and Children's Social Care)

Rewards and Incentives

This section of the policy outlines the ways that excellent attendance is promoted and incentivised at Lady Royd Primary School. Further information can be found in the Rewards Policy/Positive Behaviour Policy.

In order to support pupils to maintain excellent attendance and encourage them to improve their attendance, it is important that there is a high profile and positive culture around school with rewards and incentives available to them. This will be achieved by:

- Positive attendance messages being shared in assemblies on a weekly basis with individuals, form groups/classes and cohorts who have improved being celebrated
- Positive attendance messages being shared throughout the day in lessons
- Positive attendance messages being displayed throughout the school and in classrooms
- Positive attendance messages being shared on social media, newsletters and other external communications
- Attendance competitions between individuals, classes and other cohorts with rewards/privileges for the winners
- Recognition for pupils who maintain excellent attendance or make sustained improvement to their attendance through achievement points, positive communication home, certificates and other rewards
- Access to end of term celebration events contingent on maintaining excellent attendance or demonstrating significant sustained improvement
- Promotion of excellent attendance at parent information and transition evenings

Punctuality

This section of the policy outlines the expectations of pupils in relation to their punctuality to school and throughout the school day.

Good punctuality on a morning and to each lesson is crucial. Lateness to a lesson causes disruption to that individual's learning and to that of the other pupils in the class as it leaves teachers having to repeat instructions and breaks the flow of a lesson. It is, therefore, a collective responsibility of all pupils to ensure they are punctual throughout the day.

We expect all pupils to be on school site by 8.30am at the latest so that they have time to organise themselves and get to class by 8.40am when the school day begins and the morning register is taken. This will enable their school day to begin in a calm and positive manner rather than having to rush.

We then expect all pupils to arrive punctually to all their lessons. Whilst we appreciate that it takes time to move around the school building (consideration will be given to this), it is not acceptable for pupils to arrive late for lessons after social times or significantly after the rest of their classmates. As detailed above, this has a negative impact on learning and is not fair on the other pupils in the class.

Pupils who are persistently late will be sanctioned through the detention system. Please see the Behaviour for Learning Policy for further details.

Pupils with Medical Conditions, SEND and Social Workers

This section of the policy outlines the considerations that will be made for pupils with medical needs, Special Educational Needs or Disabilities and other vulnerabilities.

At Lady Royd Primary School we hold the same level of aspiration and high expectations for all of our pupils. We recognise, however, that some pupils may have additional needs or vulnerabilities that impact upon their attendance at school.

For example, some pupils may have diagnosed medical conditions which require them to attend regular hospital appointments during school hours, or complex situations at home with which Children's Social Care are supporting.

In these circumstances, we will work together with families and other professionals involved to ensure that any necessary reasonable adjustments to this policy are made. This could include referral to the [Bradford Medical Needs and Hospital Education Service](#) who are the local authority team responsible for providing education to children who are unable to attend school due to medical needs.

In-Year Admissions

This section of the policy outlines some measures that are implemented for pupils who join Lady Royd Primary School outside of the normal round of admissions (i.e., other than when they join in Reception/move up from Primary School into Year 7).

All our attendance data from the past few years indicates that collectively students who Lady Royd Primary School on in-year transfers have attendance rates significantly below the minimum of expectation of 97%. In fact, the average is approximately 75% which we know equates to around 235 hours of learning lost per academic year.

It is, therefore, our policy not to authorise any absence of pupils who join on in-year admissions during the first six months of their time at Lady Royd Primary School, unless supporting evidence is provided (e.g., a doctor's note or appointment card).

Formalising Support

This section of the policy outlines the more intense and formal support that will be used when informal measures have been tried without success.

We will work with Bradford Local Authority and other local agencies in a joint fashion to share data on individual cases where it is of benefit to the pupil (e.g. health services where there are medical conditions or the police where there are extra-familial harms).

We will have termly targeted support meetings with the local authority's attendance team to work together on the support that is needed for persistently and severely absent pupils. We will also share information from our registers with the local authority in order to support this.

In their 2022 report, 'Securing Good Attendance and Tackling Persistent Absence', Ofsted advise schools to take an approach where they, 'listen, understand, empathise and support – but do not tolerate'.

This means that where a pupil's attendance is an ongoing concern, we will work with families and make referrals to external agencies to secure support in removing barriers to attendance and establishing strong attendance routines. These include:

- Parenting Contract – a voluntary agreement between parents and governors which, if unsuccessful, will lead to more formal action
- Penalty Notices – a fine issued by the local authority where a student has repeated unauthorised absence
- Education Supervision Order – where a court mandates the local authority to supervise a child's education for a period of time
- Parenting Order – where a court places a mandatory order on parents to attend guidance sessions and improve their child's attendance at school
- Prosecution – where a court prosecutes a parent who has failed to ensure their child attends school regularly under the Education Act 1996

When implementing more formal support, we will follow the staged intervention approach which is recommended by Bradford Local Authority. Further details of this can be found here:

<https://bso.bradford.gov.uk/content/education-safeguarding/attendance/poor-attendance-interventions>

These formal routes are a last resort once more informal support has been exhausted, however, we feel it is important to be open with parents in stating that we will not shy away from using them where necessary in order to help every pupil access their education.

APPENDIX ONE: APPLICATION FOR LEAVE OF ABSENCE FROM LADY ROYD PRIMARY SCHOOL

Date of Request:

Pupils attend school for a maximum of 190 days each academic year. Full attendance is vital for your child's educational progress. Bradford Council expects all parents/guardians to ensure that their children attend school regularly. Absences due to holidays, taken during term time can seriously impact on a pupil's academic attainment. Bradford Council's policy is to only grant leave of absence in the most exceptional circumstances. If permission is given for leave of absence the Headteacher will determine the number of days of authorised absence.

Taking 'Leave of Absence' without the school's permission could result in you being issued with a Penalty Notice fine of £60. Penalty Notices are issued, per parent per child. Where permission has been given for 'Leave of Absence', if you fail to return your child within 10 school days of the agreed return date, your child may be removed from the school roll.

If you wish to apply for your child to be absent from school, please complete this form and return it to school at least two weeks before the intended departure.

APPENDIX THREE: LRPS ABSCONDING PROCEDURES

At Lady Royd Primary School, we actively work to provide a secure, safe environment where children want to come to enjoy learning with others as part of a caring community.

Role and Responsibilities

- a) The Head Teacher and Designated Safeguarding Lead are responsible for all decisions made when a child absconds from school.
- b) All staff are responsible for caring for the child (until the child leaves the premises). They will be responsible for seeking additional help if this is felt necessary.
- c) Parents/carers of pupils are responsible for supporting the work of the school. They are responsible for encouraging their children to keep to all school procedures and policies.
- d) Once school has informed parents that their child has absconded, parents and carers are responsible for actively supporting the school with the subsequent procedures and actions. This could include coming to school to help secure the safety of the child or working with the school to agree subsequent actions.

Where a pupil marked present is found to be absent from school without authorisation, the following safeguarding procedures must be followed:

1. The member of staff who identifies the pupil as missing informs a member of SLT
2. SLT member organises an initial search of the school buildings and known places that the pupil may have gone to.
3. If the pupil is not found, then all available staff will complete a more thorough sweep of the school and check the perimeter of the grounds.
4. If the pupil is still not found, consideration will be given to whether the search should be extended beyond the school perimeter. This decision will be based on staff knowledge of the child, the levels of risk, any active risk assessment and on what action is in the child's best interests.
5. At this point, a member of staff will phone the Police when the school building and surrounding area has been fully checked.
6. A member of staff will immediately contact parents/carers and inform them of the situation.
7. Any staff who leave school grounds will take a mobile phone to maintain contact with school. Where possible, staff who leave the site will be accompanied by another member of staff.
8. Once a pupil has been found, then the Designated Safeguarding Lead will use their professional judgement to outline the response towards the pupil and the support the pupil will need in the future.
9. Parents and the Police (if necessary) will be updated and CPOMS will be used to make a record of the incident.

Where a pupil attempts or is seen to be leaving the school premises without authorisation, the following procedures must be followed:

1. Staff will follow the pupil to the perimeter fence or gate and try to persuade the student to stay in school. De-escalation techniques will be attempted in order to support the pupil in returning to school. In such stressful circumstances it is important that staff remain as calm as possible and follow procedures.
2. If a student is deemed to be a high risk to themselves or other people then staff may need to physically intervene by adhering to the Positive Handling Strategies as per Team Teach training.
3. Staff must be aware that active pursuit may encourage the student to leave the immediate vicinity of the school and may also cause the pupil to panic, possibly putting them at risk (e.g. running into a busy road). Where they are not in danger, this means that it may be more appropriate to monitor the student from a distance or through the use of CCTV where available.
4. If the student has left the immediate vicinity of the school, the DSL must be contacted immediately so they can act as the lead person in directing the course of action. This may include the member of staff collecting a pupil specific 'grab bag' which contains first aid resources, pupil's contact details, school phone etc.
5. Staff will follow the student and engage in a local search, following the student at a safe distance if in view.
6. The lead member of staff may direct additional staff to join the search in a vehicle, taking a mobile phone to maintain communication with school.
7. If the searching staff lose sight of, or are concerned for the safety of the student or themselves, they must contact the school office giving current details of their location and a description of the pupil.
8. A member of staff must then contact the Police and the pupil's parents/carers immediately. These phone calls should be made concurrently.
9. If the pupil has left the immediate vicinity of the school grounds and are no longer visible then the lead member of staff will make a decision as to how to take matters further. This will take into account the age of the student, the prevailing weather conditions, the nature of the incident which led to the pupil absconding, the pupil's previous history of being involved in episodes of absconding and their outcomes.
10. Following an incident of this type, an Individual Pupil Risk Assessment (IPRA) will be put in place by the Designated Safeguarding Lead and/or SENDCO to support the child. This will be agreed with parents and shared with staff with the intention of reducing risk of reoccurrence. This may include the creation of a pupil specific 'grab bag' which contains first aid resources, pupil's contact details, school phone etc, if it is felt there is a chance of the child absconding again.
